2017 FIELD EVENT PLACINGS

Last Monday the Years 3-6 Athletics Field Events took place. It was a fantastic day and all the students participated extremely well throughout the day. The day saw an excellent all round performance from Wasen Sports House, as the overall winner for the day, with Maroo in second place, Baradine taking third and Goroke fourth.

We also had some of our previous school records broken. A huge congratulations to those students for giving it their all. Excellent work!

Results from the days events are shown in the table to the right. Congratulations to all those who participated and played the game.

INSERTS

Hi 5 Insert
2017 Chinchilla Trail Ride - Roster
From the Principal's Desk

Welcome to Week 4 at Chinchilla State School. This term we have certainly hit the ground running.

The Josh Arnold project is well underway, we have wrapped up our Footsteps dance program, today saw the start of our R.A.C.Q Road Safety Awareness program and our Brave Hearts Protective Behaviours program. We have also completed our field events day and will soon run our athletics program. There have also been a significant number of students and staff unwell over the last week or so which has also had an impact on our busy schedules. My apologies to our enthusiastic families for missing the communications around last Friday’s shoes in yellow for ‘Stive to be Kind’ day, I thought I had it covered. This Friday, 4th August is Jeans for Geese Day and students are asked to bring a gold coin donation to help raise vital funds for genetic research. As you can see it has been a very busy three weeks for our school, students and staff, and I haven’t even mentioned the Trail Ride.

For our new families, our annual Trail Ride is the school’s largest and most significant fundraiser. All proceeds go directly back into our classroom to purchase learning equipment, programs, air-conditioners and much needed resources. Please feel free to come along and camp out at the Brigglow Recreation Grounds from Friday night onwards. There are still many spots on the roster where you would really do with your help. Please check in with any of our classroom teachers or our P&C members if you are keen to come along and lend a hand over the weekend. I know your assistance will be greatly appreciated. For many of our families, students and staff, the Trail Ride is a very big weekend, where we all pitch in, lend a hand and get involved. For our organising committee however, the Trail Ride is months of work. Our P&C Executive, parents, community representatives, teachers and staff representatives to name just a few have been working behind the scenes on this event for weeks and weeks. Not only do I wish them well, with great weather, a big crowd and lots of help, I know I speak on behalf of all our students and staff in sincerely thanking all of the volunteers who have played a part in bringing this great event not only to our school for another exciting year, but to the Town of Chinchilla.

Thank you and I will see you out there!

PBL Update

This week’s value is: Respect
Our rule for the week is: Use polite, verbal and non-verbal language & tone.

“Treat everyone with politeness, even to those who are rude to you. Not because they are nice, but because you are” (anonymous)

A respectful school is the foundation for an effective learning environment. Children and adults have a right to expect standards of behaviour which allow teaching and learning to take place, and which make school a happy and secure place for all.

This week’s Value lesson will help students become aware of polite verbal and non-verbal language and tone at school and other social settings. Students will be able to identify and demonstrate inappropriate and appropriate language and tone, as well as the importance of avoiding profanity.

As an adult, modelling behaviours of respect for children means behaving in the way you expect your children to behave. You can encourage your child to use polite verbal and non-verbal language and tone at home when they hear you use polite language, for example when you pay for merchandise at a counter.

Chinchilla State School’s P&C Association supports the PBL program in the school and has three representatives on the P.B.I. Committee, Mrs Tanya Kidd, Mrs Lorna Evans & Mr Steven Luckraft.

Positive and Respectful Relationships

While respect can be earned, sometimes people can treat us disrespectfully no matter what we do. There are times that, despite our best efforts, it is not possible to influence how others behave towards us.

When you observe others being disrespectful it’s good to keep in mind there can be many reasons why people don’t treat others with consideration. Often, it is because they have not learned how to respect themselves or have not previously been treated with respect.

If you feel you are being treated disrespectfully, where possible communicate your needs to that person in case they aren’t aware of their impact on you. If this doesn’t help you can try to remove yourself from them. If you cannot move away from someone that is hurting or disrespecting you, make sure you get help or talk to someone you trust. By doing these things, you are showing respect for yourself. (https://kidshelpline.com.au/teens/tips/building-respectful-relationships/)

STUDENT MEDICATION

Parents/ Caregivers, if you have a child/ren who requires medication to be administered during school hours, we require you to attend the front office and complete a new “Medicine Administration Advice” form.

The accompanying medication must be in the original container with a Pharmacy Label, Labelled with doctors name on it for the school to be able to administer it.

All medication that is no longer required at school must be collected by a parent/ caregiver, we cannot give this medication to students. Please see the office staff if you have any queries.
